Hopefully we can get some Collectives to hand out at the meeting

9. Laundry concern: They will be starting with a quota system. Each task table will have a quota.
Workers are concerned how this will work and how it will impact employees. Because there are so many variables in laundry(breakdowns)
10. Clerk Question: Schedule changes- some have been told that they need 12 weeks' notice others heard 28 days. According to the collective its 28 days' notice for full time employees
11. Nutrition Services—apparently there was a 'Christmas Party for the Philippino nutrition staff'.
This is against the Code of Ethics. This needs to be looked into further to make sure it does not happen again.
12. Next meeting: AGM April 9, 2019 6:00p.m.
13. Adjourned 6:00p.m.
